

Beyond the Boards

BECKER ARENA PRODUCTS
For all phases of your arena project.

Toyohashi, Japan

**DASHER
BOARDS**

It's all about your project...

Project and owner satisfaction is more important to Becker Arena Products than the number of systems we build in a year.

Becker builds relationships beyond the boards, helping with the challenges of operations and maintenance you face during construction and beyond.

Whether you are a contractor, architect, or rink owner we have the expertise you require to deliver a great product. At Becker Arena Products, it's all about... putting people first.

DASHER BOARDS

For all phases of your arena project.

Partnership for success

Backed by a great product, we offer a partnership in the planning, design and construction phases of your project. We help our client's project succeed by understanding their situation and needs, while staying on budget and on schedule.

It's all about top quality and craftsmanship

Our total quality guarantee assures you your boards will be built to the exact specifications. The quality of the materials and craftsmanship are best described by our clients...

Meet our people

- Our knowledgeable sales staff will assist with decision criteria, from concept to completion.
- Our innovative design team will provide solutions to new or retrofit design challenges.
- Our project managers coordinate with the owner, architects, refrigeration and general contractors to ensure a successful project.

“done smoothly and on-schedule”

Becker Arena was a pleasure to work with, a first-class operation... They came in, got the job done smoothly and on-schedule under extraordinary circumstances...

*– George Parr, Sr. Director of Operations,
Kettler Capitals Iceplex, Arlington, VA*

It's all about reputation

We chose Becker because of its reputation in the industry, referrals from other rink operators and equipment providers. Overall, we felt confident that Becker Arena Products would be there to support us before, during and after the project was completed.

It's all about solutions

Our Becker representative had an in-depth knowledge of the industry and while we may not have done everything he recommended, I always felt he was looking out for our best interest. He took the time to respond even on issues where he had no direct solution to sell us.

– Mike Mulhall, General Manager, Extreme Ice Center, Indian Trail, NC

It's all about commitment!

Anyone can sell you a set of boards but what happens when you need help down the road? We offer total service before, during and after the installation... above and beyond the boards! After installation you will receive an owner's manual that includes blueprint copies and specifications for replacement glass, cap rail and kick plates. There is a special section on care and maintenance tips to ensure the longevity of your product. Your project manager is available to you if you have any problems or questions as long as you need them. You also have full access to Becker's Rink Maintenance Supplies and Equipment Division and Customer Service staff who can help you with all of your arena needs, by phone or via the web. Manufacturing your boards is just the beginning. *Beyond the boards* you can expect and trust our people to be there when you need them.

Planning for success

In planning your rink project, we help with design and product decisions including:

- Signature Series™ Board Systems best suited for your facility
 - Steel frame
 - Aluminum frame
- Spectator shielding systems
 - Supported
 - Clear "Vision™" Supportless
- Player and penalty box design
- Anchoring systems
- Gate location requirements
- Puck control netting
- Installation options

Beyond the boards

- Protective flooring
- Event flooring
- Benching and shelving
 - Locker room
 - Lobby area
- Spectator seating
- Rental skates and storage systems
- Maintenance supplies, equipment

...and more!

It's all about your project...

Becker Arena Products has been in business for over 18 years. The major sports markets we serve include Ice Hockey and Recreational Skating, Inline Hockey and Indoor Soccer. Whether your project is community, large venue, new construction or retro-fit, Becker Arena Products is here as your partner and poised to help you manage your project and become your partner... beyond the boards.
