Becker Arena Products, Inc. is a small business with 36 employees that manufactures products to furnish multi-purpose sports complexes, indoor ice rink facilities, training facilities and outdoor recreational parks. We have a bonding capacity of \$1 million per project, \$3 million aggregate. We provide worry-free projects and custom solutions to your community's needs.

Core Competencies

- Ice hockey board systems
- Outdoor ice skating recreational board systems
- Indoor soccer board systems
- Benching for locker rooms and lobby areas
- Rental skate racking/storage systems
- Protective rubber flooring for skate traffic & lobby

Benefits of Using Becker Arena Products, Inc.

- Planning, design and construction backed by years of experience
- Best practices and built-in quality controls that help you stay on budget and on schedule
- Sales representatives, designers, project managers and installers who work with you from concept to completion
- Excellent communication with your sub-contractors backed by our "No Surprise Policy"

What Sets Becker Arena Products Apart

- We have provided service to the ice rink industry since 1988
- We hold a Sourcwell (formerly NJPA) contract that allows for additional discounts to government and non-profit entities. Sourcwell saves time and money.
