

INDUSTRY LEADING ARENA PRODUCTS

Trust your next project to Becker Arena Products, Inc., the leader in ice rink-dasher systems, supplies and equipment. Since 1988, our customers have received quality products and top-notch service from our team of experts.

At Becker, customer satisfaction always comes first. Explore our products and resources and discover how we can support your next project.

Starting with our core Signature Series Dasher Boards, we build to your specifications or start your job using our specifications and customize them to your design. Our dasher board systems offer the widest range of optional features in the industry and are available with traditional steel frames or lighter weight aluminum frames for ease of seasonal installation and dismantling. All of our frames are fully-welded for strength and long lasting durability.

Becker Arena Products manufactures our own Brand of Bleacher Seating, Lobby Benching, Locker-Room Benching and Coat Hooks. Our Bleacher Bench seating is for pre-cast concrete risers. The Lobby and Locker Room Benching can be produced to many configurations, whatever your need is. All bleacher and benching products are made from recycled plastic.

Designed to quickly and easily divide your rink for the Cross-Ice programs for Mini-Mite, Mite and Squirt hockey programs; as well as parties, training clinics and more. The 38" high interlocking Croxice Rink Divider frames are quickly set up or taken down by two people in less than 15 minutes and are easily moved to and from a portable storage cart.

Completely transform unused or inefficient space with Becker Arena Product's MSR Modular Skate Rack System. With a simple layout of your space and the number of rental skates you intend to inventory, we'll give you a complete rental skate storage solution. MSR Blade Saver design helps prevent blades from rusting. A mobile system is also available.

Everything you need to get ready for your 1st season start up and every season thereafter. Becker Arena Products makes the pre-season ice installation easy with our Rink Ready Products, many of which can be purchased online for your convenience. Most items are in stock and ready to ship within 24 hours.

We Buy, Sell and Trade used ice rink equipment through a dedicated website www.rinkequipmentresource.com. We have daily direct contact with thousands of facilities all over the world and a dedicated staff working just for you. Nowhere else do you have more exposure to equipment and buyers creating opportunity for you with maximum results.
