Becker Arena Products Inc. is a small business with 20 employees that manufactures products to furnish multi-purpose sports complexes, indoor ice rink facilities, training facilities and outdoor recreational parks. We provide worry-free projects and custom solutions to your community's needs.

Based in Shakopee, Minnesota, Becker Arena Products is America's #1 source for rink supplies and equipment and has helped to build and maintain hundreds of facilities around the world.

Core Competencies

- Ice hockey board systems.
- Outdoor ice skating recreational board systems.
- Benching for locker rooms and lobby areas.
- Rental skate racking/storage systems.
- Protective rubber flooring for skate traffic & lobby.
- Aftermarket Services & Supplies (eg Ice Paint, Goal Frames, Rink Dividers).

Benefits of Using Becker Arena Products Inc.

- Planning, design and construction backed by years of experience.
- Best practices and built-in quality controls that help you stay on budget and on schedule.
- Sales representatives, designers, project managers and installers who work with you from concept to completion.
- Excellent communication with your sub-contractors backed by our "No Surprise Policy".
- Superior quality and craftsmanship.

What Sets Becker Arena Products Inc. Apart

- We have provided service to the ice rink industry since 1988.
- We hold a Sourcwell contract that allows for additional discounts to government and non-profit entities. Sourcwell saves time and money.
